

UNDP RCPAR Training for Network Members - Summary of RCPAR Evaluation Results

Working language: English

Date: 03/06/2009 to 05/06/2009

Venue: International Training Centre of the International Labor Organization, Turin, Italy

Number of Participants: 21

Returned Questionnaires (number and percentage): 21 ; 100%

	QUESTION	AVERAGE	%	COMMENTS
1	Overall usefulness of the workshop in connection to your role as RCPAR Network Member	4,26	85,20	Good for making contacts, understanding the network better and the individual's role within the network
2	Overall usefulness of the session on virtual interaction	3,63	72,60	While some participants did not feel they needed this session since they already knew how to interact virtually, the majority found the session very useful for learning about virtual interaction
3	Usefulness of session on the RCPAR online workspace	3,89	77,80	Very useful information, presented clearly and well explained
4	Usefulness of practical session on filling out a profile and working on the workspace	3,31	66,20	A majority found this session unnecessary since they had already filled out their profile and familiarised themselves with the workspace prior to their arrival in Turin
5	Usefulness of session on reviewing the guidelines for multi-country proposals	4,10	82,00	The vast majority of participants thought this session was extremely useful
6	Usefulness of session on the presentation of multi-country proposal ideas in the pipeline	4,00	80,00	A majority thought the examples of multi-country activities provided were good, and that they benefited by getting new ideas for other, potential MCAs
7	Usefulness of group session project fair and development of multi-country proposals	4,26	85,20	Very helpful for identifying potential MCA partners as well as understanding what other countries need and what they can offer
8	Overall usefulness of the virtual interaction session in the workspace aiming to develop a multi-country proposal online	4,05	81,00	A minority preferred the practical (computer lab) part of the session over the theoretical one
9	Do you intend to become involved in developing a multi-country activity proposal in the coming months?	4,68	93,60	A majority expressed their intention to get involved in MCAs in the near future. Some are already engaged in developing proposals, while others are either still discussing with potential partners or simply interested in participating as partners
10	Effectiveness of the workshop in facilitating your participation in the regional Community of Practice	4,35	87,00	Again, participants enjoyed establishing new contacts and found the session encouraging for participation and cooperation
11	Workshop facilitation	4,47	89,40	Overall positive feedback (but only three participants provided actual comments with their answers)
12	Venue and logistics	4,44	88,80	A very small minority wished they had more time available for sightseeing
	TOTAL AVERAGE/ PERCENTAGE	4,15	82,40
